Children Born in 2019 and 2020:

Children born in 2019 and 2020 are eligible for the tuition-free 3K and 4K program. Enrollment is determined through the NYC Department of Education admissions process that typically begins in February for September enrollment. According to the DOE's most recent enrollment priorities, students currently enrolled in Y programs have priority for 3K and 4K admission, followed by students with siblings currently enrolled in Y programs.

Please note the following:

- 1) Program admission is based on available space and on a one-time intake conducted by eligible YNS staff. Your deposit will be refunded if your child is not accepted into the YNS program.
- 2) As in past years, class structures are based on a number of criteria including age and development. Decisions about class placements are at the discretion of YNS leadership staff, will be made prior to orientation and will be based on enrollment patterns and what is developmentally appropriate.
