Dear Friends and Members,

I hope that this holiday season is filled with love, laughter and amazing food.

As many of you already know November 22nd was my last day here at the Y as the director of CALW. And so today I want to take a moment to give thanks for all of you and the amazing relationships that I have built over the past two years.

From the first day I walked through those doors you all accepted me and made me feel welcome. You have shared your lives and hearts with me and for that I am forever grateful.

I will miss you all so very much, but I will always smile when I think of all of the amazing parties, trips and conversations we have shared. I hope I was able to make this place a little better while I was here.

My hope was always to make sure that members felt comfortable, safe and excited when they walk through those doors.

I also hope that you all are able to continue to look out for one another because whether you realize it or not we are all family here.

Our amazing team will continue to support day to day programing until a replacement can be identified. Should you need help with any classes, registration or events please speak with Luke Smith. For all of your social service needs or questions, Wilfred Santana is available to assist. Victoria Neznansky, Chief Development and Social Service Officer oversees the center, is also available to members in need of additional assistance.

Wishing you all the best always.

Sincerely, Dee Hernandez, Former Director, CALW
